

At the beginning of this holiday seasons we know many youth who visit TheShop have no family or resources to share the holidays in the spirit of fun and frivolity, in the spirit of friendship and love, in the simple pleasure of giving a gift, of sharing a turkey meal together, creating ornaments for a tree or a hayride at our Winter Wonderland.

Help us help our kids enjoy this holiday season!

“Thankful” Fundraising Art Sale
Saturday, November 22
10 am to 3pm @ TheShop
Local Artists will showcase their work.
A percentage of sales will be directly donated to TheShop.

People with a strong sense of gratitude, love and appreciation don't necessarily *have* more than others; they aren't "luckier." They simply

recognize and see the potential in their lives. A 2003 study suggested that people who cultivate thankfulness are generally happier and healthier than people who don't.

According to [Cicero](#), "Gratitude is not only the greatest of the virtues but the parent of all others."

Help us foster well-being, a sense of gratitude and a happy and healthy holiday season for youth @ TheShop. Stop in, take a look, purchase a piece of art, say hello. For more information contact:
